PROJECT REFERENCE LIST

<u>DATE</u>	<u>PROJECT</u>	<u>CUSTOMER</u>
Mar 1996 to current	Design, supply & install 247 x steel monopoles ranging in height from 10m to 40m – Australia wide	Vodafone
Mar 1996 to current	Design, supply & install 680 x self supporting towers and guyed masts ranging in height from 20m to 100m – Australia wide	Vodafone
Mar 1996 to current	Design, supply & install 197 x steel monopoles ranging in height from 10m to 40m – Australia wide	Singtel Optus
Aug 1995 to current	Design, supply & install 618 x self supporting towers and guyed masts ranging in height from 20m to 100m – Australia wide	Singtel Optus
Nov 1994 to current	Design, supply & install 23 x steel monopoles ranging in height from 10m to 40m – Australia wide	Telstra
Nov 1994 to current	Design, supply & install 37 x self supporting towers and guyed masts ranging in height from 20m to 100m – Australia wide	Telstra
May 1998 to current	Design, supply & install 314 x strengthenings & extensions, various locations – Australia wide	various
Mar 2009	Design & supply 20m pole – Wallumbilla South, Qld	Austower
	Design & supply 15m pole – Nebo, Qld	Austower
Feb 2009	Design, supply & install 20m guyed mast – WA	CSIRO
	Design & supply 50m self supporting tower – Truganina, Vic	Abigroup
	Design & supply 25m pole – Southern River, WA	IPDAT
Jan 2009	Design, supply & install 6m & 30m poles – Blunder Creek & Paringa Rd, Qld	Western Pipeline Alliance
	Design & supply 4 x 12m self supporting masts – Newman, WA	John Holland
Dec 2008	Design & supply 6m self supporting tower – Downie Hill, Tas	Transend Networks
	Design, supply & install 30m self supporting tower – Mesa A, WA	CEJV / Rio Tinto
	Design & supply 2 x 12m self supporting tower extensions – PNG	Telikom PNG
	Design & supply 40m self supporting tower – Hammonds Hill, NSW	United Group
	Design & supply 12m self supporting mast – Newman, WA	Trackside Intelligence
Nov 2008	Design & supply 2x20m & 1x50m self supporting towers – Timber Creek, NT	Kordia
	Design, supply & install 45m guyed mast – Gnowangerup, WA	Western Power
	Supply terminal pole – Boddington, WA	Balfour Beatty

Oct 2008	Design & supply 23m guyed mast – Woodie Woodie, WA	IPDAT
	Design & supply 5 x 33kV power poles – Marillana, WA	Outback Power
	Design, supply & install 30m self supporting tower – Boddington, WA	WA Communications
	Design & supply 5 x 71m wind monitoring mast's – NSW	Epuron
	Design & supply 3 x 40m guyed masts – Qld	Intelligent IP
Sep 2008	Design & supply 30m self supporting tower – Mt Gambier, SA	Sky Rigging
	Design & supply 3 x 12m hinged poles – Halls Creek, WA	Shire of Halls Creek
	Supply & install 3 x poles – Claremont, WA	Western Power
Aug 2008	Design & supply 50m self supporting tower – Warrnambool, Vic	Westvic Broadband
	Supply & install 6 x poles – Kewdale Substation, WA	Western Power
	Supply & install 45km 33kV powerline – Mesa A, WA	CEJV / Rio Tinto
	Design, supply & install 30m guyed mast – Sinclair, WA	Global Comm Services
Jul 2008	Design & supply 40m guyed mast – Chinchilla, Qld	Aussicom
	Design & supply 30m pole – Kingston Estate, Bunbury, WA	BES
Jun 2008	Design & supply 15m rooftop tower – Darwin, NT	Austower
	Design & supply 12m guyed mast on bunker roof – Newcastle, NSW	Pacific Satellite
May 2008	Pole relocation – Carlisle Train Station, WA	Public Transport Authority
	Supply & install 2 x 68m wind monitoring masts – Cape Nelson South, Vic	REPower
	Design & supply 30m self supporting tower – Manooka, Qld	Austower
	Design & supply 30m guyed mast – Lapunyah, Qld	Austower
	Design, supply & install 60m self supporting tower – Spinifex Ridge, WA	Moly Metals
	Design, supply & install 4 x 6m hinged poles – Hope Downs, WA	SEME Electrical
	Design & supply 12m self supporting tower extension – PNG	Telikom PNG
	Supply & install 2 x poles – Ravenswood, WA	Western Power
	Supply & install 1 x pole – Nambeelup, WA	Western Power
	Design & supply 60m guyed mast – Santos Cook, Qld	Austower
	Design & supply 20m self supporting tower – Shute Harbour, Qld	N-Com
	Design & supply 42m guyed mast – WA	IPDAT
	Design, supply & install 40m self supporting tower – Dalby, Qld	Ergon Energy
	Design, supply & install 40m self supporting tower – Kogan, Qld	Ergon Energy
	Design & supply 45m self supporting tower – PNG	Telikom PNG
Apr 2008	Supply & install 2 x poles – Boddington, WA	Western Power

	Supply & install 13 x poles – Kewdale to Welshpool, WA	Western Power
	Upstream electrical upgrade – Mt Keith, WA	Downer / BHP Billiton
	33kV powerline – Mt Keith, WA	Lycopodium / BHP Billiton
	Design & supply 2x100m & 3x71m wind monitoring masts – Broken Hill, NSW	Epuron
	Design & supply 3 x 71m wind monitoring masts – Yass, NSW	Epuron
	Design, supply & install 70m guyed mast – Wanaaring, NSW	NSW Rural Fire Service
	Design, supply & install 70m guyed mast – Janina, NSW	NSW Rural Fire Service
	Design, supply & install 70m guyed mast – Yantabulla, NSW	NSW Rural Fire Service
	Design, supply & install 55m self supporting tower – Mt Wongama, WA	Clough AMEC
Mar 2008	Supply & install 4 x poles – Cottesloe, WA	Western Power
	Design & supply 12m self supporting tower – Tolga, Qld	Austek
	Design, supply & install 6km 33kV powerline – Hope South, WA	KBR/Rio Tinto
	Design, supply & install 30m & 40m self supporting tower – Cape Preston, WA	CP Mining Management
	Design & supply 2 x 25m & 1 x 30m self supporting tower – New Caledonia	Motorola
Feb 2008	Design & supply 1 x 90m & 2 x 12m guyed masts – Jimblebar, WA	MPDJV
	Design & supply 30m guyed mast – Kalgoorlie, WA	Emerge
	Design & supply 18 x 36m & 4 x 45m self supporting towers – PNG	Telikom PNG
	Design, supply & install 6 x 78m wind monitoring masts – Clements Gap, SA	Suzlon
	Design & supply 15m guyed mast – Mt Wolumla, NSW	Network Construct. Rigging
Jan 2008	Design & supply 40m self supporting tower – Pluto LNG Plant, Karratha, WA	Tenix Defence
	Transmission Lines 34 x poles – 7 sites, River Crossings, WA	Western Power
	Design, supply & install 30m self supporting tower – Nifty Mine, WA	Mine Site Technologies
	Design & supply 40m guyed mast – Rat Island, WA	Vertical Comms Infrastruct
	Design, supply & install 2 x 78m wind monitoring masts – Hallett Hill, SA	Suzlon
	Design, supply & install 70m wind monitoring mast – Gulnare, SA	Pacific Hydro
Dec 2007	Design & supply 20 x 45m self supporting towers – PNG	Telikom PNG
	Design, supply & install 45m self supporting tower – Clermont, Qld	Clermont JV
	Design & supply 25m guyed mast – Burleigh Heads, Qld	Connell Design & Construct.
	Design & supply 71m wind monitoring mast – Broken Hill, NSW	Epuron
	Design & supply 45m self supporting tower – PNG	Morobe Gold (Harmony)
	Design, supply & install 100m guyed mast – Gwabegar, NSW	Independent Communications
Nov 2007	Design & supply 4 x 30m poles – Various Sites, Qld	Queensland Rail

	Design, supply & install 6 x 78m wind monitoring masts – Tarago, NSW	Suzlon
	Design, supply & install 20m pole – Belmont, WA	St John Ambulance
	Design & supply 10 x 8m wind turbine poles – SA	Solar Shop
	Design & supply 6m tower extension – PNG	Telikom PNG
	Supply 10m Hilomast – NZ	Meridian Energy
	Design & supply 18m pole – Morphett Vale East, SA	Sky Rigging
Oct 2007	Design, supply & install 30m guyed mast – Leonora, WA	Global Comms Services
	Design, supply & install 11 x poles – Various Sites, Qld	Western Pipeline Alliance
	Design, supply & install 15m pole – Mt Barrow, Tas	TJH Systems
	Supply & install stay pole – Wembley, WA	Western Power
	Design, supply & install 30m self supporting tower – Cliffs Nickel, WA	BHP Billiton
	Design, supply & install 40m self supporting tower – Yetman, NSW	NSW Police
	Design, supply & install 80m wind monitoring mast – Cape Nelson North, Vic	Pacific Hydro
	Design, supply & install 30m self supporting tower – Kalgoorlie, WA	Global Comms Services
	Supply & install cable gantry – Cannington, WA	Western Power
Sep 2007	Supply & install 3 x stay poles – Brookland Grove, WA	Western Power
	Design & supply 25m pole – Hoppers Crossing, Vic	Abigroup
	Design & supply 15m pole – Oakey, Qld	Austower
	Design & supply 40m self supporting tower – Newlands Coal Mine, Qld	G&D Communications
Aug 2007	Design, supply & install 33kV powerline – Cliffs Nickel, WA	BHP Billiton
	Design & supply 30m pole – Ingham, Qld	Austower
	Design, supply & install 60m self supporting tower – Boddington, WA	BGM Management
	Design, supply & install 2 x 90m wind monitoring masts – Mcarthur, Vic	Meridian Energy
	Design & supply 80m wind monitoring mast – Devonport, Tas	Kordia
	Design & supply 30m guyed mast – Gunna Hill, SA	Austower
	Design, supply & install 20m self supporting tower – Snowtown, SA	Transfield
Jul 2007	Design & supply 30m self supporting tower – PNG	Telikom PNG
	Design & supply 2 x 18m trailer mounted masts	Erico
	Design, supply & install 30m pole – Jandakot, WA	TCI
	Supply & install 4 x 67m wind monitoring masts – Cape Bridgewater, WA	RE Power
	Design, supply & install 60m self supporting tower – Ravensthorpe, WA	Comsource Int.
Jun 2007	Design, supply & install 63m guyed mast – Nyabing, WA	Western Power

	Design, supply & install 63m guyed mast – Waddington, WA	Western Power
	Design, supply & install 63m guyed mast – Mandiga, WA	Western Power
	Design, supply & install 63m guyed mast – Durakoppin, WA	Western Power
	Design & supply 20m pole – Mt Gambier, SA	Tower Comms & Construct
May 2007	Supply 18m Hilomast	Santos
	Design & supply 2 x 30m poles – Bundamba & Dinmore, Qld	Western Pipeline Alliance
Apr 2007	Design & supply 40m guyed mast – Zinifex Century Mine	Zinifex
	Supply & install 2 x poles – Waikiki, WA	Western Power
	Design & supply 45m self supporting tower – Arthurs Seat, Vic	Radio Masts Australia
	Design & supply 1 x 50m & 1 x 55m self supporting towers – Gladstone, Qld	Austower
Mar 2007	Design, supply & install 3 x 78m wind monitoring masts – Snowtown, SA	Suzlon
	Design & supply 6 x 35m & 14 x 45m self supporting towers – PNG	Telikom PNG
	Design, supply & install 40m guyed mast – Crib Point, Vic	Aust. Maritime Systems
	Supply & install 2 x poles – Bentley, WA	Western Power
	Design & supply 30m guyed mast – Terrawarra, SA	Tetracom
	Design, supply & install 30m pole – Henley Brook, WA	Western Power
	Design, supply & install 30m pole – Bluewaters, WA	Western Power
	Supply & install 3 x poles – Claremont, WA	Western Power
Feb 2007	Supply & install 5 x poles – Heron Park, WA	Western Power
Jan 2007	Design & supply 30m self supporting tower – Mt Richardson, NSW	Onecom
	Design, supply & install 70m self supporting tower – Cambewarra, NSW	Shoalhaven City Council
	Design, supply & install 63m guyed mast – Ravio Hill, WA	Western Power
	Design, supply & install 40m self supporting tower – Rhodes Ridge, WA	Rio Tinto
Nov 2006	Design & install 20m self supporting tower – Adelaide, SA	Agile Communications
	Design, supply & install 21m pole – Kellys Plains, NSW	Country Energy
	Design & supply 23m pole – Renmark, SA	Agile Communications
	Design, supply & install 24m self supporting mast – Ferny Creek, Vic	Sonde Limited
	Design, supply & install 42km 33kV powerline – Hope Downs, WA	KBR / Rio Tinto
	Design, supply & install 30m self supporting tower – Taree, NSW	Midcoast Water
	Design & supply 30m self supporting tower – Mt Carrajung, Vic	Radio Masts Australia
	Design, supply & install 30m self supporting tower – Bald Hill, NSW	Country Energy
Oct 2006	Supply & install 2 x poles – Padbury, WA	Western Power

	Design, supply & install 21m pole – Mt Cairncross, NSW	Country Energy
	Design, supply & install 40m self supporting tower – Landwehr, WA	Western Power
Sep 2006	Design & supply 2 x 6m daymark towers – Darwin, NT	Australian Maritime Systems
	Design & supply 40m self supporting tower – St Helens, Vic	Westvic Broadband
Aug 2006	Design, supply & install 20m & 25m self supporting towers – Yandi, WA	Hamersley Iron
	330kV powerline stringing works – Southern Terminal, WA	Downer Engineering
	Design & supply 45m guyed mast & 45m self supporting tower – Kiribati	Leon Trading
	Design & supply 35m self supporting tower – Lismore, NSW	Austower
	Supply & install 2 x poles – Clarkson Substation, WA	Western Power
	Design & supply 30m self supporting tower – Port Augusta, SA	Agile Communications
Jul 2006	Design, supply & install 50m, 70m & 2x30m guyed masts – Hope Downs, WA	KBR / Rio Tinto
	Supply & install 2 x poles – Glen Iris, WA	RailLink JV
	Supply & install 2 x poles – Kenwick Link, WA	Western Power
	Detailed drafting transmission line towers – Hope Downs, WA	KBR / Rio Tinto
Jun 2006	Supply & install 45m self supporting tower – Boddington, WA	Newmont / CSC
	Design & supply 12m tower extension – Buka Island, Papua New Guinea	Telikom PNG
	Design & supply 30m self supporting tower – Lincoln Gap, SA	Tower Comms & Constr
	Design & supply 50m self supporting tower – Winters Hill, SA	Tower Comms & Constr
	Design & supply tower strengthening – Suva, Fiji	Sinclair Knight Merz Fiji
	Design & supply 8 x 78m wind monitoring masts – Lake Bonney, SA	Vestas
	Design & supply 10m roof top tower – Logan City Shire, Qld	Austower
	Design, supply & install 9m self supporting tower – Hallidays Point, NSW	Midcoast Water
	Design, supply & install 5m roof top tower – Hallidays Point, NSW	Midcoast Water
	Supply 24m self supporting tower – Papua New Guinea	Telikom PNG
	Supply & install 132kV transmission lines – Clarkson & Coogee, WA	Western Power
	Design, supply & install 20m self supporting tower – Mt Burramboot, Vic	Goulburn-Murray Water
May 2006	Design, supply & install 30m self supporting tower – Dampier, WA	Union Switch & Signal
	Design & supply 30m pole – Singapore	FEC Services
	Supply 2 x 25m self supporting towers – Condobolin & Walcha, NSW	Austower
	Design, supply & install 2 x 80m wind monitoring masts – Hallet, SA	Suzlon Energy
Apr 2006	Design 22.5m self supporting tower – Windsor, NSW	Sinclair Knight Merz
	Supply & install 3 x poles – Cannington, WA	Western Power

	Supply 8 x 20m, 4 x 30m poles & 1 x 45m tower – Metro Rail, WA	Tenix
	Supply & install 57m self supporting tower – Mt Taurus, Vic	Westvic Broadband
Mar 2006	Supply & install 33m self supporting tower – Yandi, WA	Rio Tinto/ H.I.
	Design & supply 10 x 42m to 50m self supporting towers – Myanmar	Diamond Palace
	Supply & install stay pole – Malaga, WA	Western Power
	Install 33kV power line – Northampton to Port Gregory, WA	C&S Powerlines
	Design & supply 50m self supporting tower – Jimna, Qld	Austower
	Design & supply 15m self supporting tower – Temora, NSW	Eacom
Feb 2006	Supply & install stay pole – Mandurah, WA	Western Power
	Supply & install 46m self supporting tower – Mt Taylor, Vic	Wideband Networks
	Supply & install 65m self supporting tower – Yanchep, WA	Western Power
	Supply 1x20m, 3x30m, 1x25m & 1x40m towers – Yorke Peninsula, SA	Comrig National / ETSA
Jan 2006	Design, supply & install 30m pole – Rangeway, Geraldton, WA	Western Power
	Design & supply 4 x 30m to 40m self supporting towers – Kangaroo Island, SA	Comrig National / ETSA
	Design & supply 1 x 8m and 2 x 25m poles for Vic Rail, Vic	Vertel
	Supply & install 2 x poles – desalination plant, Kwinana, WA	Western Power
	Supply & install 2 x 80m wind monitoring masts – Puketoi, Roxburgh, NZ	WindLab
	Supply & install 5 x poles – Southern River, WA	Western Power
	Design & supply 2 x 73m AM radio masts – Mackay, QLD	Aussiecom
Dec 2005	Design & supply 4 x lighting poles – Applecross, WA	Tennis West
	Design, supply & install 40m self supporting tower – Broome, WA	Shire of Broome
	Supply & install 4 x poles – Kewdale, WA	Western Power
	Design & supply 36m guyed mast – SA	Sky Rigging
Nov 2005	Supply & install 15m target tower – Bindoon, WA	Transfield
	Install 30m pole – Pinjarra, WA	Alcoa
	Design 100m tower strengthening – Cambodia	CamGSM
Oct 2005	Design & supply 35m self supporting tower – Caboolture, Qld	Austower
	Design & supply 27m & 30m self supporting towers – SA	Agile Communications
	Supply & install 4 x poles – Canning Vale, WA	Western Power
	Supply & install 4 x poles – Jandakot, WA	Western Power
	Design & supply 18m trailer mounted guyed mast – Barrow Island, WA	Chevron Texaco
	Design & supply 30m self supporting tower – Dubbo, NSW	Radio Comm Services

Sep 2005	Supply & install 2 x poles – Bayswater, WA	Western Power
	Install 16m transition pole – Burswood, WA	Western Power
	Design 32m flare tower – India	Clough Engineering
Aug 2005	Supply & install 4 x poles – Balcatta, WA	Western Power
	Design & supply 6m tower extension – Papua New Guinea	Pacific Mobile Comms
Jul 2005	Design, supply & install 2 x 45m towers – West Gap, NT & Arthurs Seat, Vic	Airservices Australia
	Design & supply 15m pole – Golden Grove, SA	Sky Rigging
	Supply & install 7 x poles and stringing – Pinjar, WA	Western Power
	Design, supply & install 33m self supporting tower – Plutonic Gold Mine, WA	Barrick Gold
	Design & supply 30m guyed mast – Shoalwater Bay, Qld	AAR&C
	Design & supply 50m self supporting tower – Tonga	Shoreline Communications
	Design, supply & install 45m self supporting tower – Mt Coot-tha, Qld	Brisbane Water
Jun 2005	Design & supply 2 x 21m guyed masts – Qld	G&D Communications
	Design, supply and install 20m & 30m poles – Tinamba & Maffra, Vic	BAE Systems
	Design, supply and install 2 x poles – Baldivis & Dawesville, WA	BES
	Design & supply 2 x 21m poles – Christmas Island	Christmas Island Internet
	Design & supply 18m and 23m daymark towers	Aust Maritime Systems
	Design & supply 23m pole – Solomon Islands	Solomon Telekom
May 2005	Design, supply & install 42m self supporting tower – Beelar, WA	Alstom
	Design & supply 12m radar tower – Male International Airport, Maldives	Senok Trade & Combine
	Design & supply 21m pole – Mudgee, NSW	Country Energy
	Supply & install 4 x poles – Rockingham, WA	Western Power
	Design & supply 40m self supporting tower – Dubbo, NSW	McKays Communications
	Supply & install gantry – Jandakot, WA	Western Power
	Design & supply 30m pole – Grafton, NSW	Country Energy
	Design, supply & install 70m AM radio mast – Geraldton, WA	Racing & Wagering WA
	Design & supply 6m daymark tower – Newcastle, NSW	Aust Maritime Systems
	Apr 2005	Design & supply 11 x towers – Papua New Guinea
Design, supply & install 80m wind monitoring mast – Winchelsea, Vic		Suzlon Energy
Mar 2005	Design & supply 3 x 30m self supporting towers – Tonga	Shoreline Communications
	Design & supply 2 x 90m guyed masts – Warrnambool, Vic	Radio Masts Australia
	Design 47m self supporting tower – Vietnam	Connell Wagner Int

Feb 2005	Design & supply 12m pole – Huonville, Vic	Ericsson
	Design, supply & install 18m self supporting tower – Big Bugtown Hill, NSW	Dept Environment & Conserv
	Design & supply 30m lighthouse tower – Fiji	Aust Maritime Systems
	Design & supply 7 x 32m to 50m self supporting towers – Myanmar	Diamond Palace Company
	Design & Supply 60m self supporting tower – Shepparton, Vic	Austower
Jan 2005	Design & supply 30m self supporting tower – Townsville, Qld	Queensland Rail
	Design & supply 30m & 18m self supporting towers – PNG	Telikom PNG
	Design & supply 30m self supporting tower – Biloela, Qld	Rebel FM
	Design, supply & install 2 x 21m poles – Middleback & Mangalo, SA	NDC
	Design & supply 21m guyed mast – Moranbah, Qld	G&D Communications
	Design, supply & install 15m & 20m poles – Kenwick & Thornlie, WA	NDC
Dec 2004	Design, supply & install 7 x 78m wind monitoring masts – Cooma, NSW	Connell Wagner
	Design, supply & install 2 x 80m wind monitoring masts – Tarago, NSW	Renewable Power Ventures
	Design, supply & install 3 x 18m lighting towers – Fremantle, WA	Patrick Stevedores
	Design & supply 3 x poles – Tasmania	Aurora Energy
	Design & supply 2 x 30m & 2 x 40m self supporting towers – Tonga	Shoreline Communications
Nov 2004	Design, supply & install 20m pole – Tyers, Vic	BAE Systems
	Design, supply & install 2 x 20m, 1 x 25m, 1 x 30m & 1 x 60m self supporting towers – Yorke Peninsula, SA	Gain Communications
	Install 3 x concrete poles – Cannington, WA	Western Power
Oct 2004	Design & supply 60m & 80m guyed masts – NSW	Wind Corporation
	Design, supply & install 1 x 50m & 2 x 65m self supporting towers – WA	Western Power
	Supply & install 5 x poles – Bibra Lake, WA	Western Power
	Design & supply 20m self supporting tower – Mt Misery, NSW	Radio Comm Services
	Design & supply 2 x 60m guyed masts – Santos	Austower
	Design, supply & install 60m & 20m guyed masts – Murrin Murrin, WA	Minara Resources
	Design, supply & install 25m replacement tower – Belrose South, NSW	Hutchison
Sep 2004	Design, supply & install 30m & 40m poles – Kalgoorlie, WA	Western Power
	Design & supply 21 x 11m poles – Port Hedland, WA	Atomic Power
	Design & supply 80m guyed mast – Shannons Flat, NSW	Comrig National
	Design & supply 12m tower extension – Madang, PNG	Pacific Mobile
	Design, supply & install 40m & 60m self supporting towers – Kalgoorlie, WA	Western Power

	Design & supply 30m self supporting tower – O’Halloran Hill, SA	Tetacom
	Remove 16m transition pole – East Perth	Western Power
	Bore 96 x pole foundations – Kalgoorlie, WA	Western Power
Aug 2004	Design & supply 2 x 40m guyed masts – Kununurra, WA	Comrig National
	Design & supply 20m pole – Whyalla, SA	ATI Australia
	Design & supply 25m guyed mast – NSW	RCS
	Design & supply 110m self supporting tower – Little Duvall, Qld	Austower
	Design & supply 60m guyed mast – Santos	Austower
Jul 2004	Design, supply & install 2 x 65m guyed masts – Wilga & Glentulloch, WA	Western Power
	Design, supply & install 2 x 68m wind monitoring masts – Vic	Energy Pacific
	Design & supply 25m self supporting tower – Wyalong, NSW	EACOM
	Design, supply & install 20m self supporting tower – Kambalda, WA	St Ives Gold Mining
Jun 2004	Supply & install 30m pole replacement, Collie, WA	Western Power
	Design & supply 3 x 120m, 1 x 140m & 1 x 160m self supporting towers Saudi Arabia	Madaf Telecommunications
	Design, supply & install 40m self supporting tower, Niue, Cook Islands	Broadcasting Corp Niue
	Design, supply & install 30m self supporting tower, Albany, WA	Devaugh
	Design & supply 84m guyed mast, Toowoomba, QLD	Austower
May 2004	Design, supply & install 30m self supporting tower, Summertown, SA	Spotless
	Design & supply 30m self supporting tower, Porters Trig, NSW	Austower
	Design & supply 25m slimline pole, Wakerie, SA	MIMP
	Design & supply 22m pole, Garbutt, Townsville, QLD	Austower
	Design, supply & install 78m guyed mast, Tooborac, VIC	Windlab Systems
	Design & supply 25m self supporting tower, Pinkimba, QLD	Austower
Apr 2004	Design & supply 2 x 30m self supporting towers, SA	Comrig National
	Supply & install 6 x poles, Burswood, WA	Western Power
	Supply & install 9 x poles, Alcoa, Pinjarra, WA	Western Power
	Design, supply & install 20m pole, Bunbury, WA	BES
	Design, supply & install 30m pole, Baldivis, WA	BES
	Design, supply & install 30m pole, Alcoa, Pinjarra, WA	Western Power
Mar 2004	Design, supply & install 50m guyed mast, Cascades, WA	Western Power
	Design & supply 8 x 24m guyed masts, VIC	Imark Communications
	Design, supply & install 23m pole, Wireless Hill Park, WA	City Of Melville

	Design & supply 60m self supporting tower, Morobe, PNG	FM Morobe
	Design & supply 2 x 22m guyed masts, Niue, Cook Islands	Karera Communications
Feb 2004	Supply & install 30m self supporting tower, Glenmire, NSW	Country Energy
	Design & supply 5m tower extension, Madang, PNG	Telikom PNG
Jan 2004	Supply substation steelwork, East Perth, WA	Western Power
	Maintenance & replacement of 15 existing structures, WA wide	Telstra
Nov 2003	Supply substation steelwork, Cannington, WA	Western Power
	Design & supply 30m self supporting tower, Mareeba, QLD	Austower
	Design & supply 30m self supporting tower, Mt Nield, SA	Comrig National
	Design, supply & install 12m pole – Brighton, WA	CES
	Design & supply 30m self supporting tower, Toowoomba, QLD	Austower
Oct 2003	Design & supply 18m pole – Doveton, VIC	O'Donnell Griffin
	Design. Supply & install 1 x 16m and 2 x 23m guyed masts, Granny Smmith Mine, Laverton, WA	Placerdome
	Design & supply 30m self supporting tower, Nambour, QLD	Philcomm
Sep 2003	Design, supply & install 2 x 35m power transmission poles, Glenmore, NSW	Integral Energy
	Design & supply 30m tower extension, Mt Soma, NSW	Austower
	Design, supply & install timber boardwalk, Fred Jacoby Park, Mundaring, WA	CALM
Aug 2003	Design, supply & install 90m self supporting tower, Gosford	TJH Systems
	Design & supply 40m self supporting tower, Terry Hie Hie, NSW	Austower
	Design, supply & install 30m self supporting tower – The Granites, NT	Newmont Australia
Jul 2003	Supply & install 2 x poles, Canning Vale, WA	Western Power
	Design, supply & install 35m self supporting tower and 30m guyed mast, Mornington Island, QLD	NDC
	Design & supply 3 x 20m poles, Perth, WA	TMI
	Design, supply & install 78m guyed mast, Lake Bonney, SA	Connell Wagner
	Design & supply 2 x 15m guyed masts, Brisbane, QLD	Austower
Jun 2003	Design & supply 20m self supporting tower, Vincents Hill, NSW	Country Energy
	Design & supply rooftop structure, Maroochydore, QLD	Austower
	Design, supply & install fire lookout tower, Mt Coree, ACT	ESB
May 2003	Design & supply 25m self supporting tower, Cairns, Qld	AAR&C
	Design & supply 12m pole, Taree, NSW	Austower
	Design & supply 20m pole, Tamworth, NSW	Austower

	Design, supply & install 80m wind monitor mast, McCartha, VIC	Wind Farm Developments
	Design & supply Wyndham Navigational Aids, WA	Australian Maritime Sys.
	Design & supply 35m self supporting towers, Middlemount, QLD	Austower
	Design & supply 35m self supporting tower, Blackdown Tableland, QLD	Austower
	Design, supply & install 11 x transmission poles, Kalgoorlie, WA	Western Power
	Design & supply 2 x 60m guyed masts, Norwich Park Mine, Qld	Austower
	Design, supply & install 50m guyed mast Eastern Range, WA	Rio Tinto Iron Ore
Apr 2003	Design & supply antenna mounts, various NRE sites, VIC	NDC
	Design & supply 30m guyed mast, Watson, SA	Austower
	Design & supply 60m guyed mast, Keren, SA	Austower
	Design, supply & install 18m self supporting tower, Fremantle	ECM
Mar 2003	Design, supply & install 17m pole, South Guildford, WA	GR Services
	Design & supply 30m self supporting tower, Mt Carrajung, VIC	Radio Masts Australia
	Design, supply & install 16m transmission pole, East Perth, WA	Western Power
	Design, supply & install 14.8m guyed mast, Koori Radio, NSW	ARFC
Feb 2003	Design & supply 30m pole, Jandakot, WA	John Holland
	Design & supply 35m guyed mast, Coolgardie, WA	IPDAT Communications
	Design & supply 30m self supporting tower, Riversdale, NSW	NSW Police Service

	Design & supply 45m mast, SA	National Wireless
	Design & supply 24m self supporting tower, Varanus Island, WA	Marcomm
	Design & supply 2 x F1000 self supporting towers, NSW	NLD
Aug 1998	Design & supply 2 x monopoles, VIC	High Rigging
Jul 1998	Design, supply & install 40m self supporting tower, Lismore	John Holland
	Design & supply 60m self supporting tower, Wewak, PNG	Universal Rigging

	Design & supply 30m self supporting tower, Ballarat, NSW	High Rigging
	Design & supply 15m self supporting tower, PNG	Telikom PNG
Jun 1998	Design & supply 30m self supporting tower, NSW	NLD
	Design & supply 6 x self supporting towers ranging in height from 30m to 45m , Papua New Guinea	SMEC
	Design & supply 50m self supporting tower, Newcastle, NSW	NLD
	Design & supply 2 x 25m monopoles at Townsville, QLD	BSA
	Design, supply & install 75m guyed mast, Dubbo, NSW	TCI
May 1998	Design & supply 30m self supporting tower, NSW	NLD
Apr 1998	Design & supply 25m Monopole SA	Sky Rigging
Mar 1998	Design, supply & install 15m target tower, Bindoon, WA	Dept of Defence
	Design & supply 30m light duty self supporting tower, NSW	NLD
	Design, supply & install 30m square self supporting tower, Yass	LSE Technology
	Design, supply & install 50m self supporting tower, Dianella, WA	Channel 9 – Perth
Feb 1998	Design & supply 75m guyed mast, NSW	Radio Masts Australia
	Design & supply 30m self supporting tower, PNG	BSA
	Design & supply 30m and 20m self supporting towers, NSW	Advance Energy
Jan 1998	Design & supply 25m self supporting tower, SA	Sky Rigging
	Design & supply 70m self supporting tower, Port Moresby, PNG	Rad – Tel
Dec 1998	Design, supply & install 20m self supporting tower, Cambodia	Mobitel
Nov 1997	Design & supply 25m self supporting tower, VIC	Quantum Comms
	Design & supply 21m self supporting tower, NSW	NLD
Oct 1997	Design & supply 2 x 30m self supporting towers, NSW	Advance Energy
	Design & supply 120ft self supporting tower, Indonesia	FEC Singapore
	Design, supply & install 30m self supporting tower, NSW	AAP Communications
	Design & supply 30m self supporting tower, NSW	NLD
	Design & supply 15m self supporting tower, NSW	NLD
	Design, supply & install 4 x 43m lighting towers for Stadium 2000, Sydney Olympic Stadium, NSW	Multiplex
Sep 1997	Design & supply 45m guyed mast, Thursday Island	BSA
	Design, supply & install 30m self supporting tower, Thailand	Unocal
Aug 1997	Design, supply & install 30m guyed mast, Gladstone, QLD	Pacific Data Systems
	Design & supply 25m self supporting tower, SA	Sky Rigging

	Design & supply 30m self supporting tower, NSW	Douglas Earthmoving
Jul 1997	Design & supply 15m Guyed Mast, NSW	NLD
	Design & supply 30m self supporting tower, PNG	Telikom PNG
Jun 1997	Design, supply & install 35m self supporting tower, Darwin, NT	Air Services Australia
	Design & supply 2 x 30m self supporting towers, PNG	Telikom PNG
May 1997	Design & supply 30m light duty self supporting tower, PNG	Galley Reach Holding
	Design, supply & install 15m steel monopole, WA	ATI
	Design & supply 30m steel monopole, QLD	RFS
Apr 1997	Design & supply 10m & 30m self supporting towers, QLD	BSA
	Design & supply 22m self supporting tower, Thursday Island	BSA
	Design & supply 50m light duty self supporting tower, Olympic Dam, SA	Western Mining
	Design, supply & install 20m steel monopole, Perth, WA	Curtin University
Mar 1997	Design, supply & install 25m self supporting tower, VIC	Air Services Australia
Feb 1997	Design, supply & install 90m x F600 guyed mast, NSW	NLD
Jan 1997	Design & supply 9 x 15m self supporting towers, Cambodia	Mobitel
	Design & supply 54.1m self supporting tower, Singapore	Ministry of Defence
	Design & supply 36.6m insulated guyed mast, Gympie, QLD	BSA
Nov 1996	Design & supply 9 x self supporting towers ranging in height from 12m to 40m, NSW	NLD
Aug 1996	Design supply & install strengthening of guyed mast at Bordertown, SA	Optus
Jun 1996	Design & supply 30m light duty self supporting tower, QLD	BSA
May 1996	Design & supply 18m triangular self supporting tower, WA	North Limited
Apr 1996	Design & supply 60m self supporting tower, Thailand	Privis Construction
Mar 1996	Design & supply 2 x 100m self supporting towers, Indonesia	Pt. Indosair
	Design & supply 45m self supporting tower, NSW	NLD
	Design, supply & install 60m guyed mast, NSW	Conargo Shire Council
Feb 1996	Design & supply 46m self supporting radar tower, Singapore	Ministry of Defence
	Design & supply 90m guyed mast, NSW	NLD
	Design & supply 90m F450 guyed mast, VIC	Radio Masts Australia
Jan 1996	Design & supply 3 x F450 guyed masts, Myanmar	Total Oil
	Design & supply 6 x 50m self supporting towers, Sri Lanka	MTN Network
	Design & supply 30m self supporting tower, SA	Sky Rigging

Dec 1995	Design & supply 60m self supporting tower, Oman	Sultanate of Oman
	Design, supply & install 43m self supporting tower, VIC	Radio Ballarat
	Design & supply 4 x 65m self supporting towers, Brunei	DST Communications
	Design & supply 15m self supporting tower, Oman	Sultanate of Oman
Nov 1995	Design & supply 17m self supporting tower, PNG	PTC
	Design & supply 30m extension to 95m tower, Philippines	Apopi/Piltel
	Design, supply & install 60m self supporting tower, NSW	Broken Hill Electricity
	Design & supply 3 x 45m self supporting towers, Thailand	Thai Tele-Containers
	Design & supply 5 x telecommunication masts, Myanmar	Total Oil
	Supply & install Tree Top Walk Way to The Valley of the Giants, Walpole, WACALM	
	Design, supply & install 5 x self supporting towers, VIC	Moira Shire Council
Sep 1995	Design & supply 32 x GSM self supporting towers, Philippines	Isla Communication
	Design & supply 2 x 30m guyed masts, Malaysia	FEC Singapore
	Design & supply 3 x 18m self supporting towers, SA	Sky Rigging
Aug 1995	Design, supply & install 60m self supporting tower, Brunei	Data Stream Technology
Jul 1995	Supply 35 Avenue Poles, 5 Double Avenue Poles & 38 Type B Poles, WA	Folkes Smith & Assoc.
	Design supply & install 45m self supporting tower, NSW	ATI
Jun 1995	Supply 20 x steel poles, WA	Folkes, Smith & Assoc.

	Design & supply tower extension, Malaysia	FEC Singapore
	Design & supply 45m self supporting tower, NSW	AAP Communication
May 1995	Design & supply 300 face width mast, QLD	BSA
	Design & supply 4 x 36m F600 masts, WA	Funtime Industries
Mar 1995	Design, supply & install 40m guyed mast, ACT	Monaro Electricity
Feb 1995	Design & supply 102m self supporting tower, Thailand	ASI
Jan 1995	Design, supply & install 30m guyed mast, WA	Hamersley Iron
	Design & supply 40m self supporting tower and 50m guyed mast, WA	ITS
	Design supply & install 3 x 55m heavy duty guyed masts, WA	Westrail
Dec 1994	Design & supply 45m cyclonic self supporting tower, Fiji	ITS
Oct 1994	Design & supply 4 equipment shelters Christmas Island, WA	Telecom
	Design and supply 35m self supporting tower, PNG	PTC
Sep 1994	Design and supply 270ft self supporting tower, PNG	Hitron

Aug 1994	Design, supply & install 34m pole, WA	Leighton Contractors
Jul 1994	Design & supply 60m self supporting tower, Philippines	Piltel
	Design & supply 15m & 30m self supporting towers, PNG	PTC
Jun 1994	Supply 85m & 95m self supporting towers, Philippines	Piltel
	Design, supply & install 23m guyed mast, WA	Ericsson
	Design & supply 18m self supporting tower, SA	Sky Rigging
	Design & supply 4 x 42m & 2 x 60m self supporting towers, Sri Lanka	Celltel
	Design & supply 90m self supporting tower, Cambodia	Telstra
	Design & supply 15m self supporting tower, PNG	PTC
Apr 1994	Design & supply 2 x 15m self supporting towers, PNG	PTC
	Design & supply equipment weather shelters with grillage foundation, Cocos Island	Telecom
Mar 1994	Design & supply 30m light duty triangular tower, SA	Sky Rigging
	Design & supply 30m & 60m self supporting towers, Sri Lanka	Celltel
Feb 1994	Design & supply 2 x 36m guyed masts, WA	Funtime Industries
Jan 1994	Design & supply 2 x 22m cyclonic guyed masts, QLD	CAA
Dec 1993	Design, manufacture & install 114m guyed mast, NSW	Riverina Broadcasters
Nov 1993	Design, manufacture & deliver 21m self supporting tower, QLD	BSA
	Design, manufacture & deliver 48m cyclonic guyed mast, WA	CAA
	Design, manufacture & install lookout/link tower, VIC	Television Victoria
Oct 1993	Design 800ft heavy duty broadcast guyed mast, Pakistan	PTC
Sep 1993	Design & supply 90m self supporting tower, Vietnam	SAICO
	Design 17 self supporting towers, United Arabic Emirates	ETISALAT
	Design, manufacture & deliver 6 x 30m self supporting towers	Queensland Rail
Aug 1993	Design & supply 2 x 30m self supporting towers, Saudi Arabia	Al Rashid
	Design & supply 45m self supporting tower, PNG	PTC
Jul 1993	Design & supply 60m self supporting tower, Vietnam	SAICO
	Design 18 self supporting towers, Malaysia	CELCOM
Jun 1993	Design, manufacture & install 70m guyed mast, 27m & 10m self supporting towers, WA	Western Mining
	Design & supply 60m self supporting tower, Kuwait	Arabian Construction
May 1993	Dismantle & return 20m CMTS pole to store, WA	Telecom

Apr 1993	Design, supply & install roof top poles for digital data link, WA	Ericsson
Mar 1993	Design 15m guyed mast – Singapore	Dept of Defence
	Design 5m & 12m self supporting towers – Brunei	RBAF
	Design, supply & install roof top poles for digital data link, WA	Ericsson
Feb 1993	Design, supply & deliver 35 metering cabinets & frames, WA	SECWA
Dec 1992	Design, manufacture & install 25m self supporting tower, VIC	Television Victoria
Nov 1992	Design, supply & deliver aluminium supports for CMTS rooftop	Telecom
	Manufacture & deliver 12 heavy duty mast modules, WA	Telecom
	Design 9 x self supporting towers – Kuwait	Ministry of Interior
Oct 1992	Design 61m guyed mast – Sri Lanka	Teleshan
	Design 76m guyed mast – Dubai, UAE	Police Department
