POWERLINE CONSTRUCTION PROJECT REFERENCE LIST

<u>DATE</u>	<u>PROJECT</u>	<u>CUSTOMER</u>
Apr 10	2 x 132kV transmission poles – Willetton, WA	Western Power
Mar 10	8 x 132kV transmission poles – Wangara, WA	Western Power
Mar 10	330kV transmission pole – Forrestdale, WA	Western Power
Jan 10	4 x 132kV transmission poles – Joondalup, WA	Western Power
Nov 09	Relocate 132kv transmission pole – Midland, WA	Western Power
Oct 09	33kV powerline poles – Nifty, WA	Future Power WA
Oct 09	4 x 132kV transmission poles – Mirrabooka, WA	Western Power
Oct 09	33kV powerline modifications – Hope Downs, WA	Rio Tinto
Jul 09	4 x 132kV transmission poles – Kwinana, WA	Western Power
May 09	Transformer skid – Carrabin Substation, WA	BEC Engineering
Nov 08	132kV terminal pole – Boddington, WA	Balfour Beatty
Oct 08	33kV powerline poles – Marillana, WA	Outback Power
Sep 08	Reclosers and lightning protection – West Angelas, WA	Rio Tinto
Aug 08	45km x 33kV powerline – Mesa A, WA	CEJV / Rio Tinto
Aug 08	6 x 132kV transmission poles – Kewdale substation, WA	Western Power
May 08	1 x 132kV transmission pole – Nambeelup, WA	Western Power
May 08	2 x 132kV transmission poles – Ravenswood, WA	Western Power
May 08	2km x 33kV powerline – Spinifex Ridge, WA	Worley Parsons / Moly Mines
Apr 08	1km x 33kV powerline – Mt Keith, WA	Lycopodium / BHP Billiton
Apr 08	Mt Keith Upstream Upgrade, WA	Downer / BHP Billiton
Apr 08	13 x 132kV transmission poles – Kewdale to Welshpool, WA	Western Power
Mar 08	6km x 33kV powerline – Hope South, WA	KBR / Rio Tinto
Mar 08	4 x 132kV transmission poles – Cottesloe, WA	Western Power
Jan 08	River Crossing 132kV Transmission Lines – 7 sites, WA	Western Power
Oct 07	Substation gantry – Cannington, WA	Western Power
Oct 07	1 x stay pole – Wembley, WA	Western Power
Sep 07	132kV pole extension – Rockingham, WA	Western Power
Sep 07	3 x stay poles – Brookland Grove, WA	Western Power
Aug 07	4km x 33kV powerline – Cliffs Nickel, WA	Downer / BHP Billiton
Aug 07	Foundation strengthening – Millstream, WA	Western Power
Apr 07	2 x 132kV transmission poles – Waikiki, WA	Western Power
Mar 07	3 x 132kV transmission poles – Claremont, WA	Western Power
Mar 07	2 x 132kV transition pole – Bentley, WA	Western Power
Feb 07	5 x 132kV transmission poles – Heron Park, WA	Western Power
Jan 07	Replace steelwork on 330kV transmission towers	Western Power
Nov 06	42km x 33kV powerline – Hope Downs, WA	KBR / Rio Tinto
Oct 06	2 x 132kV transmission poles – Padbury, WA	Western Power
Aug 06	2 x 132kV transmission poles – Clarkson, WA	Western Power
Jul 06	330kV conductor stringing – Southern Terminal, WA	Downer Engineering / WP
Jul 06	2 x 132kV transmission poles – Kenwick Link, WA	Western Power
Jul 06	2 x 132kV transmission poles – Glen Iris, WA	Raillink JV / Western Power
Jun 06	2km x 132kV transmission line – Clarkson, WA	Western Power
Jun 06	2km x 132kV transmission line – Port Coogee, WA	Western Power
Apr 06	3 x 132kV transmission poles – Cannington, WA	Western Power
Mar 06	Northampton to Port Gregory 33kV transmission line	C&S Powerlines / WP
Mar 06	1 x stay pole – Malaga, WA	Western Power
Feb 06	1 x stay pole – Mandurah, WA	Western Power
Jan 06	5 x 132kV transmission poles – Southern River, WA	Western Power
Jan 06	2 x 132kV transmission pole – Kwinana Desal Plant, WA	Western Power
Dec 05	4 x 132kV transmission poles – Kewdale, WA	Western Power
Oct 05	4 x 132kV transmission poles – Canning Vale, WA	Western Power
Oct 05	4 x 132kV transmission poles – Jandakot, WA	Western Power
Sep 05	2 x 132kV transition poles – Bayswater, WA	Western Power
Sep 05	132kV transition pole – Burswood, WA	Western Power
Aug 05	4 x 132kV transmission poles – Balcatta, WA	Western Power

Jul 05	7 x transmission poles and uprate to 132kV – Pinjar, WA	Western Power
May 05	4 x 132kV transmission poles – Rockingham, WA	Western Power
May 05	2 x substation gantries – Jandakot, WA	Western Power
Oct 04	5 x 132kV transmission poles – Bibra Lake, WA	Western Power
Sep 04	Parkeston tee line foundations and stay anchors	Western Power
Sep 04	Tee pole – Parkeston, WA	Western Power
Jun 04	Replace pole and relocate conductor – Collie, WA	Western Power
Apr 04	9 x 132kV transmission poles – Alcoa, WA	Western Power
Apr 04	6 x 132kV transmission poles – Burswood, WA	Western Power
Jan 04	Substation steelwork – East Perth, WA	Western Power
Nov 03	Substation gantry – Cannington, WA	Western Power
Jul 03	2 x 132kV transmission poles – Canning Vale, WA	Western Power
May 03	9 x 132kV transmission poles – Kalgoorlie, WA	Western Power
Mar 03	132kV transition pole – East Perth, WA	Western Power
Jun 02	6 x stay poles – Canning Vale, WA	Western Power
Feb 02	6 x 132kV transmission poles – Beckenham, WA	Western Power
